- A water-resistant feature** that is strong against water and sweat

The best choice fo this summer !

## Dr. Cell Brightening Sun Prevent

### UV protection + Brighten skin

Don't miss out on both !

Before

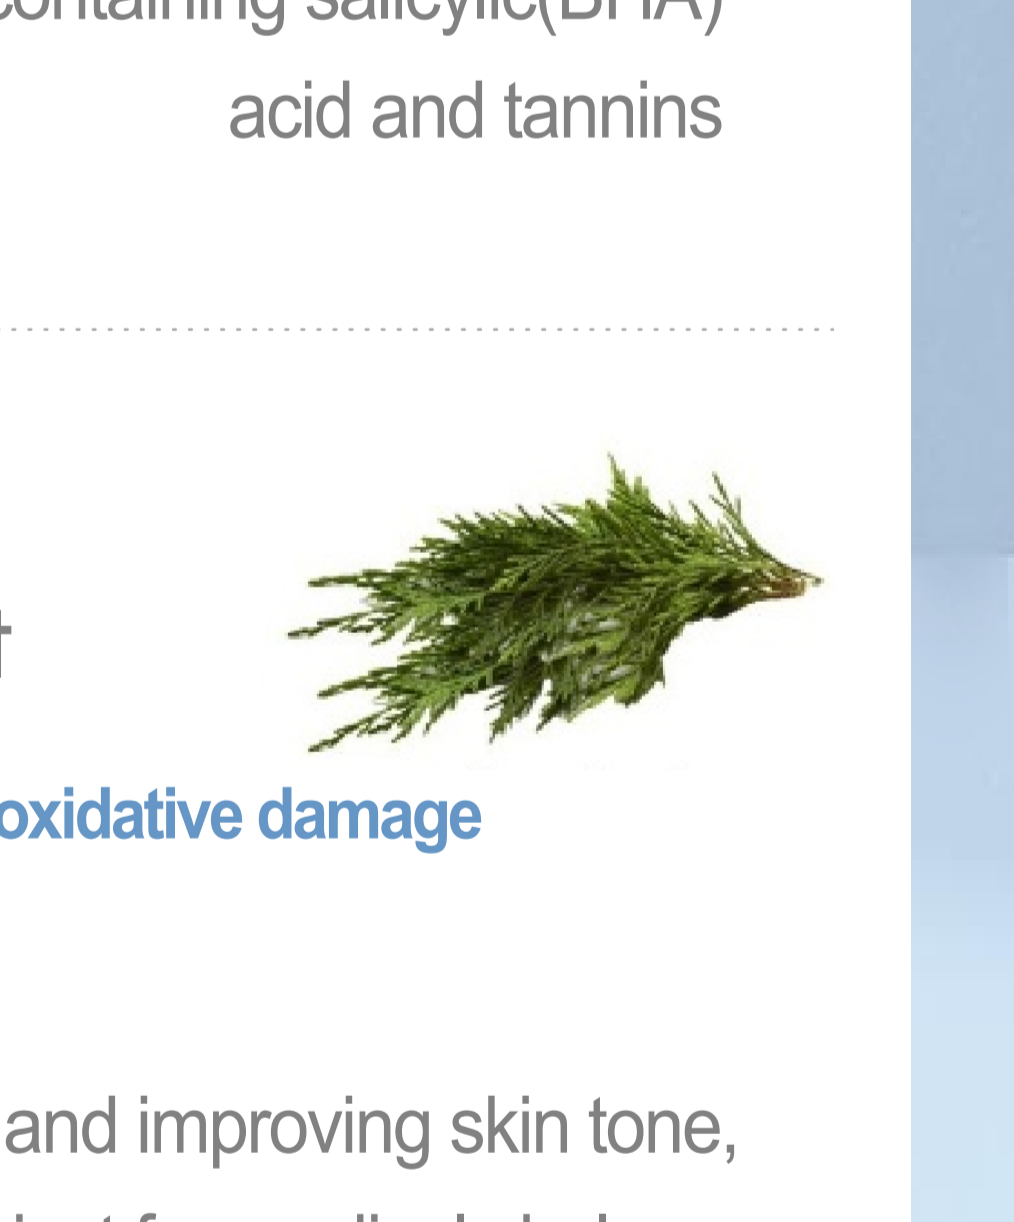

After

### The waterproof function is the default.

Don't need to worry, strong against water and sweat !

### Smudge-Proof, strong adherence

### Natural-derived ingredients that protect my skin

#### Centella Asiatica Extract

**Skin damage prevention | dryness prevention**  
**calming irritated skin | elasticity, pore size improvement**

Centella Asiatica, originally from Madagascar, is a highly effective plant called tiger herb or tiger grass because tigers rub against it to heal.

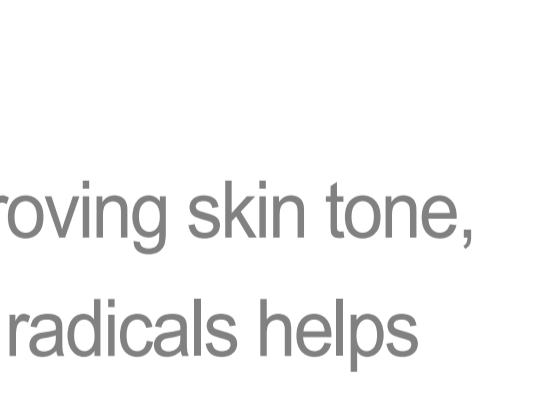

#### Salix Alba Bark Extract

**Skin Exfoliation | Hydration**

It helps exfoliate and soothe problem skin by containing salicylic(BHA) acid and tannins

#### Chamaecyparis Obtusa Leaf Extract

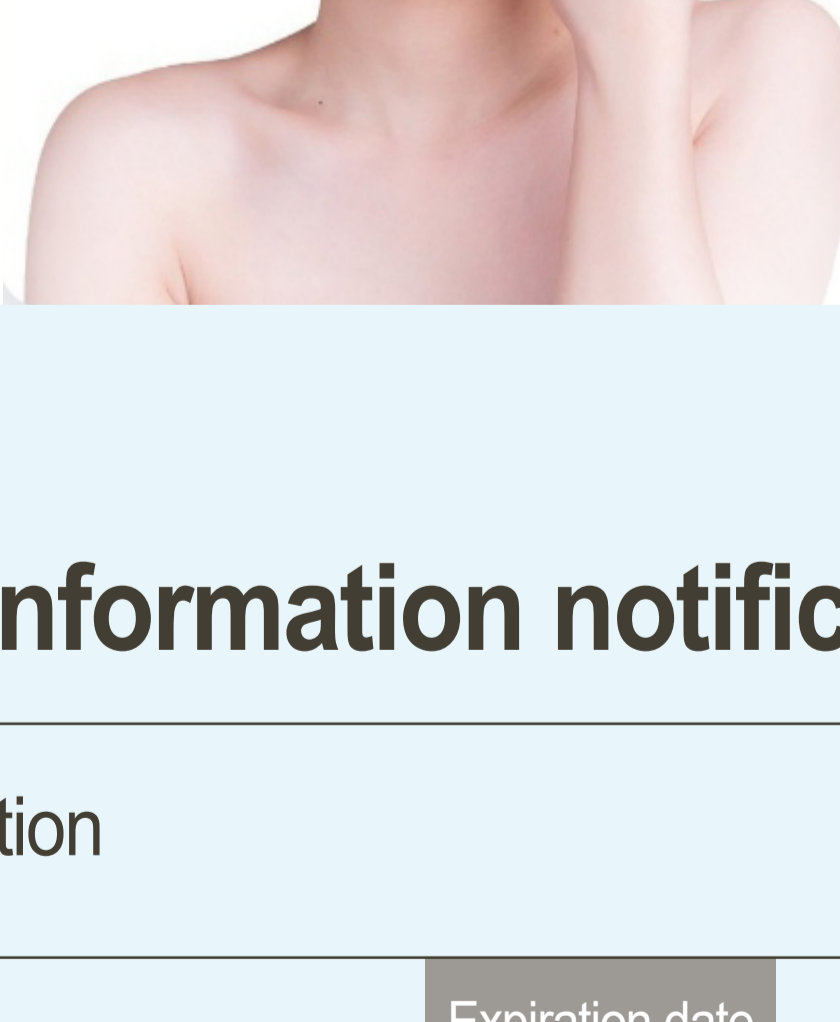

**Improve skin tone | Prevent oxidative damage**  
**Improve skin immunity**

It is involved in brightening and improving skin tone, and its ability to protect against free radicals helps prevent oxidative damage to the skin.

### How to use

In the last step of skincare, take an appropriate amount and evenly apply it to the face and gently massage until absorbed
