

# EXO Rejuva's Skin-Transforming Ingredients

**A marvel of modern science**

Wrinkle improvement  
Skin elasticity enhancement  
Lifting and tightening  
Moisturizing and soothing

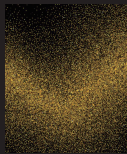

## Diamond

Acts as a conductor to add radiance to the skin and prolong the moisturizing effect

## Gold

Prevents skin aging with powerful antioxidant and anti-inflammatory effects, improving skin vitality

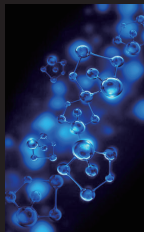

## 5 Peptides

Promotes collagen production, reducing wrinkles & strengthening skin elasticity

## Cauliflower Mushroom Exosome

Provides antioxidant, regenerative and moisturizing benefits, maintaining soft skin with deep hydration

## ELA-Biom

A natural fermentation ingredient that nourishes the skin, prevents aging, and strengthens skin immunity

## 10min. Miracle

### How To Use

Apply EXO Rejuva Ultra Lifting Serum to the forehead, under eyes, and around the mouth. Gently pat for absorption, promoting smooth, hydrated, and elastic skin. Use morning and night. \*Works best with a beauty device.
